THE ROTARY FOUR-WAY TEST

- 1) Is it the TRUTH? 2) Is it FAIR to all concerned?
 3) Will it build GOODWILL and BETTER FRIENDSHIPS? 4) Will it be BENEFICIAL to all concerned?

LAST WEEK

Janie Wolicki did a great job of telling us about all the great things happening at the volunteer driven Women Helping Women Helping Women organization. It was started 18 years ago to

help those in need. Now their clients go through an Employment Success Program (ESP) to work on resume development, interview skills, and even computer training. Then they get assistance in choosing appropriate business clothing, as well as job leads and referrals. All their services are offered for no cost or obligation.

Janie said that 1/3rd of their income comes from government funding, with most of the rest from grants. We learned that we could help by donating business related clothing and accessories - for men as well, since they started helping men 3 years ago. Financial donations are always needed and even gift cards to Target and Walmart type stores.

Thanks, Janie, for educating us on this great program.

We had lots of discussion (confusion) about our new Vocational Visitation Program. Don't worry, we'll get it sorted out, and it looks like fun. Our visitors of the day included **Christina's** Mom, **Dennis's** wife, and **Kristy's** friend. Welcome, all.

REMEMBERING DICK WILSON -

Plans are under way to plant a tree in Dick's honor at the park near Meadowlark. All the details have not been finalized, but May seems appropriate since he would have celebrated another birthday in that month. We will join his family and meet just after our regular meeting on the selected date.

(King **Richard** is shown here with his Queen, **Dottie**.)
