THE ROTARY FOUR-WAY TEST

- 1) Is it the TRUTH? 2) Is it FAIR to all concerned?
 3) Will it build GOODWILL and BETTER FRIENDSHIPS? 4) Will it be BENEFICIAL to all concerned?

LAST WEEK

Brenda Glim gave us a combo Craft Talk/Training Session on how she presents herself when working with teenagers who are generally not interested in being “talked to”, but prefer “interacting with”. Her presentation of “Life Lessons” was interesting and informative. We also know of her work with Corporate Recess, an Improv company that assists and entertains corporate clients.

We enjoyed visiting with visiting Rotarians from Texas. **Carl Harrima** was here from Amarillo, and **Shirley Olson** is a member of the Abilene Club. We also met a Special Guest, **Autumn Boulais**.

We collected items to send to the 3/1 Marines serving in Afghanistan. Between what we brought and what **Suzanne** shopped for us, it looks like we will make some servicemen happy. She put out an appeal for cash to help pay for the postage.

First **Concert in the Park** of the summer. A good crowd including Rotarians is shown here. Thanks to **Dale**, Rotary got a hand from the crowd.

ROTARY INTERNATIONAL CONVENTION in Montreal, Canada heard new R.I. President **Ray Klingensmith** ask for Rotarians to apply “cowboy logic” to make clubs “bigger, better, and bolder.” The fundamental principles of cowboy logic are taking pride in your work, talking less and saying more, doing what has to be done, and remembering that some things just aren’t for sale,

MEETING SCHEDULE

- 7/1** TODAY’S MEETING – **Art Lofton** will talk to us on “Northrop Grumman, an Engineer’s Journey”. Art is **VP** - CIO Aerospace Systems Sector at Northrop Grumman. Our meeting will be conducted “upside down” today (speaker 1st – lunch 2nd) due to a business commitment requiring our speaker to leave early.
- 7/8** CLUB ASSEMBLY – We’ll learn what **Margaret** and Rotary have in store for us next year. See Kiosk dedication below
- 7/15** RRAKE Report – Rotary Random Acts of Kindness Everyday – Report on what you did for a total stranger, a child, a neighbor, and a senior citizen.
- 7/22** **Father Marc Boisvert**, founder and director of Hope Village, Haiti will tell us what it is like taking care of 800 orphans.
- 7/20** **Dr. CK Lin** will tell us about “7 Mistakes Business Owners Make On the Internet”

MARK YOUR CALENDAR

- 7/8** KIOSK DEDICATION - We’ll meet at 11:00 before our meeting next week at the Wetland’s parking lot on PCH to be taken up to the location of the kiosk. It describes the WWII history of the bunkers. We sponsored this kiosk with Matching Grant funds from Rotary. Good PR opportunity – let’s have a group there to represent the “good that we do”.

8/7 It’s Pig Roast time! **Doug Gahn** has invited us all to his annual roasting of the pig. It’s a “bring a dish to share and your own beverage” type party. **Shannon Blas** and her group will provide the entertainment. Come one, come all.
