### THE ROTARY FOUR-WAY TEST

- 1) Is it the TRUTH? 2) Is it FAIR to all concerned?
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS? 4) Will it be BENEFICIAL to all concerned?

### LAST WEEK

Scheduling the Music Contest had been a bit of a problem, but it was well worth the wait. The contestants, **Patrick Hudson, Taylor Howe, & Eric Lapporte** are shown

here after their stellar performances. Each of them impressed us with a different style and personality with their talented offerings. **Jamie Knight**, the Music Director for the Academy of the Performing Arts gave us some of the history of the Academy and how he became involved.

After a tally of the vote, it was determined that Taylor was the 1st place winner, with Patrick and Eric following in 2<sup>nd</sup> and 3<sup>rd</sup>. Great program!

The meeting started with **Bill Kettler** giving us the story of his personal connections with the late **John Wooden**. It was a touching tribute from one great man to another.

The meeting ended in typical Rotary fashion – the outgoing President getting no respect. **Roland** was prepared to make a “statement” with his final adjournment call before his throw out party, but few were paying attention. Fortunately, the camera man was watching.

### RRAKE - Rotary Random Acts of Kindness Everywhere

This is “Perfect Stranger” week. If you are contributing to the 3/1 Marine’s Goody Pack, you’ve made a good start on this one.

Next week will be “Help a Child” week if you want to get a jump start on your week. Think something like Youth Shelter.
