THE ROTARY FOUR-WAY TEST

- 1) Is it the TRUTH? 2) Is it FAIR to all concerned?
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS? 4) Will it be BENEFICIAL to all concerned?

LAST WEEK

Jimi Washington, our newest member, gave an abbreviated Craft Talk. We learned that he was born in Riverside, moved down this way, and one of his first jobs was in the banking industry. It seems that every time he thought about making a change, he was promoted and encouraged to stay with it. He is currently V.P. Branch Manager at One West Bank. His personal life includes his wife, **Denise**, and 3 children. After his brief profile, he moved quickly in the Q & A time. Can't wait to get him on one of our projects to see if he always moves this quickly. Welcome aboard, Jay.

We met and heard bios on Students of the Month **Noemi Galvez & Roxana Carbajal**. They are shown here with **Regina Hamilton** as they display their plaques. Guest, **Laura Syzdek**, joined us to see her mentee **Noemi** receive her Student of the Month Award. Other visitors included **Vee Tran**, the **Baley's** former mentee, who is currently attending Yale. It's great to keep in touch with her progress. **John** introduced **Greg Price** from Lexus of Tustin as a Special Guest, and **Christina's Jason** also joined us for lunch.

Scott Smith Update –

His surfing injury (broken ankle) finally went to surgery this morning. The word is that he will be on crutches for about 3 months. The really bad news from Scott's point of view is that the doc says, "No surfing for at least a year."

Never fear, Scott – Rotary will find some sort of "sit down" job for you. Get better.

MEETING SCHEDULE

5/27 TODAY'S MEETING – **Baby Shower** for **Jeff Brentlinger & Dawn Luesse**. Bring a gift (or let **Suzanne** do your shopping) and a pack of diapers.

6/3 They make us PROUD! Will we hear from the 8 students we sent to RYLA. They will tell us about their adventure and the impressions it made on their futures. But that's not all! We will meet the 3 Scholarship winners as they are presented with their awards.

6/10 The previously cancelled music contest is back on. We'll be entertained by 3 contestants who will sing and supply their own accompaniment on acoustic guitar or electric piano.

6/17 **Wally** will give us an update on his most recent trip to China to visit with our International Exchange Students of the past.

MARK YOUR CALENDAR

6/12 It's time to **DEMOTE ROLAND** – The plan is to start at **5:00 p.m.** at the **CLUBHOUSE ON CAMELBACK**. **AI Clark** has all the directions and info on this "not to be missed" event.

WHO HAS IT?

Remember this? This pop-up tent with the Rotary wheel on it is used for all our outdoor events. Someone has it, but who? Margaret has been searching for this and for some banners that can't be found. Check in your garage.
