THE ROTARY FOUR-WAY TEST

- 1) Is it the TRUTH? 2) Is it FAIR to all concerned?
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS? 4) Will it be BENEFICIAL to all concerned?

LAST WEEK

To general dismay, shock and horror (given the impending Halloween Party) Wendy was too sick to lead the meeting and her place was filled by **Roland Aldridge**, prominent Rotary Has-been. Still, the group was both entertained and touched by the speakers **Billy O'Connell** and guests, from **Collete's Children's Home**, who described the overwhelming problems of homelessness in Orange County. Of about 41,000

homeless people in the county, they are able to help perhaps 450 each year to get back on their feet and become productive citizens again. One of their success stories was there

to give poignant reality to what they do.

The Halloween Party hosted by **Scott and Keri Smith** and **organized by Carol Kelly** was without a doubt a frighteningly fabulous event for all who dared attend. We could write on and on, but why not let the pictures say it all?!
