THE ROTARY FOUR-WAY TEST

- 1) Is it the TRUTH? 2) Is it FAIR to all concerned?
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS? 4) Will it be BENEFICIAL to all concerned?

LAST WEEK

Rae Shirer of the Orange Sunrise Club (and our District Governor Elect) came to tell us about the new area of service called New Generations. She is an animated speaker who filled us in on her personal history from her days with Future Farmers of America to her current status as an Attorney and an advocate for Rotary's youth programs. She talked about all the good things that Interact, Rotoract, RYLA, and Youth Exchange are offering to our young people. She encouraged us to get involved with the District Speech and Singing Contests, as well as, the Workability Program.

She also presented **John Baley** with the check from the Simplified Grant that was awarded to us for the work on Science Showtime. He is shown in this picture with District Governor, **Johrita Solari** when she made the award. Way to go, John, you make us proud.

Our guests included **Harry's** wife, **Judy Selling**, and **Dennis's** wife, **Susanne Sundberg**, the PDG from that "other District".

Since

the meeting was on Veteran's Day, it was appropriate that we honored our members who had served in the military, and of course, Harry came dressed for the part. All our veterans (**Dale, Al, John, Bill, Harry and Don** were applauded and thanked for their service.

FOUNDATION NEWS –

Bill Kettler & Wendy Rogers, our Foundation Chair and co-Chair, attended the Foundation Dinner with **Margaret**. They were there to accept our Certificate of Recognition for being a 100% Paul Harris Club. For you newer members, that means that all of our members are Paul Harris members (\$1,000 donation) or are contributing annually toward that goal.

BOARD MEETING NOTES –

Most of the evening was devoted to financial issues. There are several ideas under consideration for different ways to meet our needs. The pros and cons of one major fund raiser, or the idea of several smaller events were on the table. No firm decisions were made, but research is being conducted for future plans.
