### THE ROTARY FOUR-WAY TEST

- 1) Is it the TRUTH? 2) Is it FAIR to all concerned?
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS? 4) Will it be BENEFICIAL to all concerned?

### LAST WEEK

**David Baronfeld** filled us in on the progress toward getting our own Huntington Beach Community Garden. Even though he is not a gardener himself, David has put his heart and soul into getting this project underway. The research has been done, and the plan is in place for the garden area to be at the Brookhurst and Atlanta location owned by the Edison Company. Currently, the plan calls for 110 plots in the 15 x 20 foot size. These plots will "rent" for \$100 per year to help defray some of the costs to set up and then maintain the area.

An added feature of this meeting was the fact that **Mayor Cathy Green** joined us to present a certificate from the City to proclaim World Polio Day, October 24, 2010. She is shown here as **Margaret** accepts the proclamation. The Mayor had many kind words for Rotary and the progress made toward the world-wide elimination of polio. (Thank you, **Dale**, for spearheading this project.)

Visiting Rotarian, **Jerry Moss** of Palm Springs joined us once again as did **Dick's** partner, **Dottie Rodgers**.

And away they go! Golfers on their way to compete in **El Viento's Annual Golf Tournament**. Our Club sent a dozen

volunteers to assist **Zayda Garcia** and the El Viento group with their fund raiser. Rotarians helping with "Building Communities" part of this year's logo.
