THE ROTARY FOUR-WAY TEST

- 1) Is it the TRUTH? 2) Is it FAIR to all concerned?
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS? 4) Will it be BENEFICIAL to all concerned?

LAST WEEK

It is always a great day when we get to induct a new member. **Mary Kinkella** shows a lot of enthusiasm for Rotary and even brought her Rotarian friend **Tom Scott** to witness her

induction. Membership Chair, **Doug** gave her her first assignment – a Craft Talk.

Mary did a great job of filling us in on all the steps she took through sales and management positions in the corporate world. Although not a Rotarian at the time, the principles of the 4-Way Test caused her to leave and start her own business. She and her partner now own a pet store here in Huntington Beach called **Animalia**. Check it out – it's a refreshing change from the big box stores.

Other guests for her induction included Tom Scott from the Long Beach club, Andy, and Victor Cummings. We are happy to have you join us, Mary, and look forward to lots of great Rotary projects.

WINE TASTING EVENT

All reports say that it was a great success – beautiful setting, good company, delicious food. Strangely, it was noticed that no one mentioned WINE.

Guess it didn't need to be said. The picture is not so much to show the participants in attendance as to show the beautiful sunset enjoyed with friends. Thank you **Don & Margie** for hosting it.

MEETING SCHEDULE

- 9/1** TODAY'S MEETING – **Alex Ureche** will tell us about the Bookmobile Project in Romania.
- 9/8** **Brian Basuglia** is scheduled to talk to us about the Southern California Film Festival.
- 9/15** **Patrick Smith** will explain the plans and purpose of the California Ships to Reefs Project off the coast of Dana Point.

MARK YOUR CALENDAR

- 10/29** Halloween party extraordinaire at **Scott & Keri's** home. (Editor apologizes for earlier error in naming host couple.) 

VOLUNTEERS NEEDED

These projects need our attention.

- Have you filled a backpack yet? Talk to **Mary** about ways to help. School is starting so the time is now.
- Science Showtime needs help getting the word out, volunteering for projects, and all hands on deck for **September 30**. **John** is putting together another winner – he needs to help make it all run smoothly. Sign up!
- See **Wally** for ways to help with the Youth Exchange Beach Week-End on **October 15 and 16**.
