THE ROTARY FOUR-WAY TEST

- 1) Is it the TRUTH? 2) Is it FAIR to all concerned?
 3) Will it build GOODWILL and BETTER FRIENDSHIPS? 4) Will it be BENEFICIAL to all concerned?

LAST WEEK

CK Lin joined us to share "Mistakes Business Owners Make on the Internet". He told us that our "place" in the list of companies that comes up when someone does a search on the internet. Ways to move up is to "share" or establish links

that get your name out through other sources. He also talked about "engage", but he said we'd have to give him a call to get more details on some of these ideas. He also had ideas of ways to make our Rotary website a tool for attracting new members.

Announcements included a "hurry up and volunteer" plea from **John** for Science Showtime – it's almost time. **Wally** says he needs drivers, sleep-over volunteers, and surfboards for the Youth Exchange Beach week-end. An "after the meeting meeting" told us that we have a lot to do yet for our Surf City Monster Bash. The group will meet again to get our plans in order.
